

FINAL VOTE ON BILL WILL BE TAKEN TODAY

Major Amendments Bowled Over By Senate

By D. Harold Oliver
Associated Press Staff Writer
Washington, Feb. 14.—(AP)—Bowling over all major amendments, including the export rebate plan, the Senate today established a strong bipartisan support for the administration's soil conservation-subsidy bill but postponed a final vote until tomorrow.

Democratic leaders set tomorrow's session an hour earlier than customary in an effort to drive the AAA re-employment legislation through to the House well before nightfall.

Pending when a recess was taken late this afternoon were Republican substitutes calling for increased tariffs and for huge acreage purchases by the government and increased tariffs, and a minority move to recommend the bill for public hearings.

Punctuating the amendment balloting was another hot debate over the supreme court's AAA decision, which made the pending legislation necessary.

Senator Robinson of Arkansas, the majority leader, said the court had "impeached" the value of its own decision by holding agriculture to be a local problem. Senator Norris (R-Neb.) again assailed the tribunal as a "legislative" body, while Senators McAdoo (D-Calif.) and Dickinson (R-Ia.) entered a defense in the interest of what they termed the "preservation of constitutional government."

The bill as it came through the storm of proposed changes today would provide a dual system of federal subsidies—one to farmers for not planting certain crops in the interest of soil conservation, and another to state grants after two years for the same purpose. States, however, could join the permanent system immediately if they passed the necessary laws.

The export rebate plan, offered by Senator Connally Wad-Tex., was rejected 42 to 32 on the closest roll call of the day. It had carried twice in 1929 during the Hoover administration, but both times failed in the House.

It would have provided for federal bounties on exports of farm products equal to half the tariff on imports of the same products shipped abroad, but with specific rates provided on wheat, corn, cotton, tobacco and rice.

Senator Robinson opposed it on the ground it would "stimulate" production and be in direct conflict with soil conservation which had for its primary aim crop curtailment.

DIES SUDDENLY

St. Louis, Feb. 14.—(AP)—Fred D. Porter, president of the Porter-Bede-Langtry Corp., Chicago Publishing firm, was found dead today in a pullman berth when a Frisco train near St. Louis en route from Tulsa, Okla.

An autopsy at the St. Louis morgue, where the body was taken on arrival of the train, showed he died of heart disease complicated by a kidney ailment.

Weather

For Jacksonville and vicinity:—The weatherman predicts cloudy weather for today, followed by snow before night. Snow will fall on Sunday, the forecaster says. While it will not be quite so cold Saturday night, low temperatures will continue to prevail.

The U. S. Cooperative Weather Bureau at the Norbury Sanatorium last night gave temperatures for the past 24 hours as: high 50; current 48; above and lowest 45; above.

Barometer readings were: A. M. 29.85; P. M. 30.08.

Illinois: Cloudy Saturday, followed by snow before night. Sunday snow; not so cold Saturday night. Otherwise continued cold.

Indiana: Increasing cloudiness, colder in extreme east portion Saturday, with snow Saturday night and Sunday; not so cold Saturday night.

Wisconsin: Generally fair in north, mostly cloudy in south Saturday, followed by snow, with snow in south and generally fair in north Sunday; continued cold in general.

Missouri: Snow Saturday or by Saturday night, rising temperature Saturday; winds may become fresh, to strong shifting about Saturday night; Sunday cloudy and colder, with snow in east and south.

Iowa: Snow, not quite so cold in extreme south portion Saturday; Sunday generally fair in west, snow in east, continued cold with colder in south portion; winds may become fresh to strong northerly about Saturday night.

Temperatures

City—	7 P. M. H. L.

Will Use Canaries, Mice And Rabbits As Warning Signals

Belleville, Ill., Officials Protect Citizens Against Escaping Gas

Belleville, Ill., Feb. 14.—(AP)—Canaries, white mice and rabbits were suggested today by the state department of mines and minerals as reliable "warning signals" against gas escaping from leaking mains which has killed two persons and made 41 others ill here since Feb. 3.

Officials explained the birds and animals would react to the carbon monoxide in the gas and die before presence of the fumes could otherwise be detected by human beings.

The "common sense" precaution of keeping windows open for ventilation was urged on residents.

"Escaping gas from minor leaks normally is not dangerous," said John H. Mitchell, general manager of the gas company serving Belleville, "but in this cold weather people keep their houses shut tight and the gas can't get out."

The prolonged cold which has frozen the ground to a depth of three feet was blamed by Mitchell for the "epidemic" of gas cases.

He explained it is impossible to construct a perfectly tight gas line but under ordinary weather conditions leaking gas seeps up through the porous ground and is dissipated in the open air.

"Now, because of the extraordinary depth of the frozen ground," he said, "the gas can't escape into the air but follows a main or some other channel in the earth and escapes through the first opening, usually in the basement of a house."

FDR Has Entered Nebraska Primary; Deadlines Near

Opponents Of Roosevelt May Enter Slate In Wisconsin

By Edward J. Duffy
Associated Press Staff Writer
Washington, Feb. 14.—(AP)—While the Republican situation remained static, the administration countered indications of opposition in the Philadelphia convention today by disclosing President Roosevelt would be entered in the Nebraska primaries.

Hostility among followers of Alfred E. Smith was illustrated this time in Wisconsin. John M. Callahan, former Democratic committeeman, said at Milwaukee he had "about decided" to head a slate of "genuine Democrats" against candidates for a Roosevelt delegation.

As was the case in Illinois, Nebraska party leaders assured the president no opposition need be expected in that state. Both of the primaries will be held two months from today. The president wants the Independent Republican, Senator Norris, returned to the Senate.

Norris has not said he would run. Pending his decision, it was indicated the Democratic organization might have "to protect their interests" regarding the senatorial seat. The nature of the precautions was not revealed.

Senator Burke (D-Neb.) and Arthur M. Ryan, former national committeeman who was the Roosevelt floor manager at the Chicago convention in 1932, told the president the state committee would file his name for the preference primary.

Canon City, Colo., Feb. 14.—(AP)—Otis McDaniels, 3, was executed in the lethal gas chamber at the Colorado state penitentiary here tonight for slaying Sheriff W. W. Dunlap of Montezuma county.

McDaniels died at 8:01 p. m. (MST). The condemned man was taken to the gas chamber at 7:47 and the door locked at 7:51 a half minute later small pellets of poison were dropped into a solution and gas began to generate. McDaniels inhaled immediately and became unconscious.

McDaniels smiled as he entered the chamber and waved his hand to the witnesses watching through windows. He helped the warden adjust the leg and body straps after saying:

"You don't need to put those straps on me. I can take this standing up."

The beetle-browed slayer of the sheriff and a sheepman had called for "a good stiff drink" earlier, but it had been denied him as a violation of prison regulations.

Man Who Killed Sheriff Executed

Canon City, Colo., Feb. 14.—(AP)—Otis McDaniels, 3, was executed in the lethal gas chamber at the Colorado state penitentiary here tonight for slaying Sheriff W. W. Dunlap of Montezuma county.

McDaniels died at 8:01 p. m. (MST). The condemned man was taken to the gas chamber at 7:47 and the door locked at 7:51 a half minute later small pellets of poison were dropped into a solution and gas began to generate. McDaniels inhaled immediately and became unconscious.

McDaniels smiled as he entered the chamber and waved his hand to the witnesses watching through windows. He helped the warden adjust the leg and body straps after saying:

"You don't need to put those straps on me. I can take this standing up."

The beetle-browed slayer of the sheriff and a sheepman had called for "a good stiff drink" earlier, but it had been denied him as a violation of prison regulations.

STRIKE SETTLED

Belleville, Ill., Feb. 14.—(AP)—A 6-weeks strike of 500 enamel workers at four plants here was settled today with the workmen receiving an increase in wages of 9 and 10 per cent.

There are many different classifications of workers at varying wages. Operations will be resumed Monday at the Kerr, Range Co. Peerless Enamel Co., Elite Enamel Works and Roesch Enamel Range Co.

William F. White of Chicago, regional commissioner for the National Labor Relations Board, presided over a meeting of representatives of enamel players and the Enamel Workers Union at which a compromise agreement was reached.

THREE FILE FOR PRESIDENCY IN STATE PRIMARY

Roosevelt, Borah And Knox Seek Illinois Delegates

Springfield, Ill., Feb. 14.—(AP)—The last opportunity passed tonight for candidates for the presidency to enter the Illinois advisory preferential primary.

With President Roosevelt and two of the leading Republican contenders—Senator William E. Borah of Idaho and Col. Frank Knox of Chicago—having filed previously, the Illinois primary on April 14 has taken on more than normal significance this year.

Officials at the secretary's of state's office said petitions would not be received for the presidency after the regular closing hour at 5 p. m.

In recent presidential years, most of the major candidates have stayed out of the Illinois primary, which is advisory only and does not bind the national convention delegates elected by congressional districts.

Supporters of Knox and Borah are lining up candidates for delegates to the GOP convention at Cleveland, while President Roosevelt is supported by both Democratic factions.

During the day state officials said they had no word from supporters of Gov. Alfred M. Landon of Kansas and Bernard MacFadden, New York publisher, about whom there had been rumors as possible Republican entries.

Len Small, Kankakee publisher who was elected governor in 1920 and 1924, filed as a Republican gubernatorial candidate for the fifth time today, again announcing that he is in "this fight to win" and is not interested in "any deals with party bosses for division of political spoils."

Small, defeated in the 1928 primary, won the 1932 nomination. Two other GOP candidates, Oscar E. Carlstrom of Aledo and C. Wayland Brooks of Chicago, entered the race last week. The five other Republicans who have announced for governor can file their nomination petitions as late as Feb. 24.

Others who filed today were: For Lieutenant-Governor: Republican, Harry F. Hamlin, Chicago. For State Representative: Republican, 45th District, Robinson Bennett, Springfield.

Blizzard Death Tolls In Europe Near 300 Mark

Severe Cold Continued Unabated In Bulgaria, Rumania; Warner Elsewhere

London, Feb. 14.—(AP)—Blizzard death tolls in Europe and the Near East mounted to almost 300 tonight as severe cold continued unabated in Bulgaria and Rumania but softened to warmer weather elsewhere.

Bulgaria led the list of weather casualties with more than 100 dead, Turkey followed with at least 72 dead, of which a majority was frozen to death. Twenty-two others drowned and eight died in accidents.

Sunny weather returned to Italy as the storms ceased and the sea grew calm. Efforts to refloat the Spanish freighter Rita Garcia, aground off Ancona, failed and the vessel was reported a complete loss although the crew was rescued.

Spain was generally fair except for squalls off the southern and eastern coasts. Normal weather came back to Austria and Hungary but inhabitants of some sections of southern Yugoslavia were still suffering from sub-zero temperatures.

Authorities, checking up on blizzard fatalities, said the deaths might reach 40. Nearly 30 more died in Great Britain.

Patricia Maguire Sleeps Four Years

Chicago, Feb. 14.—(AP)—Pretty Patricia Maguire finished her fourth year of sleep today and slumbered on the Oak Park stenographer fell in to the sleep from which she has never awakened after she returned to her home the night of February 14, 1932.

She had gone out to mail a valentine to her small niece. Her ailment was diagnosed as encephalitis lethargica. Since then, serums, blood transfusions, electric treatments and every other ameliorant known to science has been tried on her with indifferent results.

She has been cared for during her long slumber by her mother, Mrs. Peter Miley, and her sister, Gladys Hansen. Patricia will be 31 years old April 1.

"We have never given up hope," said Mrs. Miley.

TRAIN KILLS WOMAN

Murphysboro, Ill., Feb. 14.—(AP)—Mrs. McKinley Nichols was killed and her husband was injured critically today when their automobile was struck by a northbound Illinois Central passenger train seven miles north of here, near their farm home.

Indicted

MRS. RUTH RUPP.

GRAND JURY INDICTS RUTH RUPP, BROTHER

Woman Charged With Assault; Man With Manslaughter

Pekin, Ill., Feb. 14.—(AP)—Mrs. Ruth Rupp, 26, and her brother, William J. Potts, 23, an attorney, were indicted by the Tazewell county grand jury today on charges growing out of the wounding and slaying of Mrs. Rupp's husband, Clarence, owner of a taxi cab firm.

After hearing more than a score of witnesses, the grand jury indicted Mrs. Rupp on charges of assault with intent to murder. Another true bill charged Potts with manslaughter.

Sheriff Ralph Goar said that Mrs. Rupp admitted wounding her husband on the night of Feb. 5, and that Potts shot him to death four days later.

Friends of Mrs. Rupp who is in a hospital suffering from a nervous breakdown, posted a \$5,000 bond with Sheriff Goar. Potts furnished \$10,000 bond when he was arraigned before Circuit Judge Henry Ingram.

Miss Wilma Hohenstreider, a maid, told Sheriff Goar that Mrs. Rupp wounded her husband in defense of herself, and her children. She asserted Rupp made threats to his wife that he would "wipe out the whole family."

At the time of the shooting, Miss Hohenstreider stated, Rupp told his wife to "blame the shooting on the strikers." Rupp told authorities he had been fired on by an assailant who apparently attacked him because his cab line did not employ union labor.

Pekin was tense at the time because of the general strike. Miss Hohenstreider said that Potts went to the Rupp home Sunday and talked with the taxi owner. The sheriff stated that Potts shot Rupp four times when he made new threats against his wife.

Value Of Farm Livestock Shows Large Increase

Agriculture Department Report Shows Values Up 50 Percent

Washington, Feb. 14.—(AP)—A fifty per cent increase in the value of farm livestock was reported today by the agriculture department, despite a decline in the numbers of all types except hogs.

As of January 1 it estimated the total at \$3,250,685,000, as compared with \$2,976,877,000 for Jan. 1, 1934, \$2,772,055,000 for Jan. 1, 1933, and \$6,051,240,000 as of Jan. 1, 1930.

The number of hogs was reported to be 42,341,000, an increase of 9 per cent over the total of 39,004,000 on the same date the preceding year. Decreases were: Horses, 2 per cent; mules, 3 per cent; sheep, 1 per cent; and cattle, 4 of 1 per cent.

The value of milk cows not included in the cattle figures, decreased 2 per cent, but the department said milk production on February 1 was about 2 per cent above the total a year ago, because of a 4 per cent increase in production per cow.

The value of horses and colts per head increased from \$77.05 to \$96.79; mules and mule colts, \$39.34 to \$120.42; cattle and calves, \$20.22 to \$34.08; cows and heifers, \$10.13 to \$49.18; sheep and lambs, \$4.31 to \$6.38; and hogs, \$6.31 to \$12.65.

PLENTY OF TROUBLE

Tulsa, Okla., Feb. 14.—(AP)—Did you say trouble? Listen: Vest Terry's wife went to a hospital for an operation Wednesday. Thursday his mother became critically ill at Noel, Mo.

Soon after he left for there in an automobile, the city engineering department announced he had been dropped from the payroll.

Near Chelsea, Okla., Terry's car was wrecked, "injuring himself and his brother."

DR. JOHN LARSON CRIMINOLOGIST, IS DISCHARGED

Claims Management Of Penal Institutions Deteriorating

Chicago, Feb. 14.—(AP)—Dr. John A. Larson, asserted tonight he was discharged as an assistant state criminologist on a technicality and charged there had been a "progressive deterioration in the policies and management" of Illinois penal institutions.

In a statement issued here after his discharge had been admitted by Dr. Paul Schroeder, state criminologist, Dr. Larson said the deterioration "has reached its lowest level" under the current administration so that the demoralization of the prison service has been complete.

The technically he said consisted of advising James Day, the Joliet convict who slew Richard Loe with a razor Jan. 28, as to how he could obtain a lawyer to defend himself. He said his superiors termed it "unethical conduct."

That Dr. Larson's advice today was the cause of his dismissal was admitted tonight by A. L. Bowen, director of the state department of public welfare, and verified also by Dr. Paul Schroeder, state criminologist.

Dr. Larson, an expert in the field of criminology and a developer of the lie detector, took Day's statement before Loe's death, but he said in his statement the prison officials did not want it, and that they told him they would get another.

"When the inquest convened, Bowen ordered me to stay out," Dr. Larson said. "During a conversation with Dr. Schroeder on the following Monday (Feb. 3), he told me not to make any statement to investigators for committees, but to refer them to him."

Dr. Larson's charges, directed particularly at the Joliet and Stateville prisons, came almost on the eve of the governor's investigation of the entire prison system. A special investigating commission was planning to convene at Joliet Monday.

The assistant criminologist stated that before his discharge Dr. Schroeder attempted, unsuccessfully, to persuade him to resign.

Chicago Physician And Unmarried Girl Battle For Child

Judge Rudolph De Sort Is Preparing To Make His Decision In Case

Chicago, Feb. 14.—(AP)—A blue eyed three year old baby boy gazed idly about a crowded court room today as Judge Rudolph De Sort prepared for a Solomon-like decree awarding his possession.

The infant sat on the lap of Dr. Gordon E. Morfitt, Wilmette obstetrician, while Miss Margaret Mann, 24, unmarried, began her fight to claim him as her own. The physician asserts the boy is his.

Answering the questions of her attorney, Miss Mann, who recently was employed in a loop department store, said the baby was born to her at St. Vincent's Orphanage May 10, 1932.

She explained she took him to the Morfitt home after reading an advertisement which the doctor's wife, who died Monday, had inserted offering to board an infant.

She declined to divulge the name of her child's father before the hearing opened that the man was married and had other children.

The gray haired physician, who declared he has delivered 2,000 babies, insisted before the court session, the lad was Gordon Morfitt III, born to his late wife in Minneapolis in 1932. Authorities there reported however, their records did not disclose any child born to Mrs. Morfitt when she lived there.

The doctor denied he had ever seen the young woman before yesterday. At that time he was taken into custody on a warrant charging technical kidnapping. The baby was removed from him by a bailiff but returned later on order of Judge De Sort. The judge had previously awarded custody of the infant to the late Mrs. Morfitt on her petition for separate maintenance from the doctor. Miss Mann's action came before him on an intervening petition alleging maternity of the child.

Miss Mann asserted she had seen the child twice at the Morfitt home and declared she and the dead woman had an understanding that "if I married I was to have the child and that I was to get it anyway this year when it became four years old."

"I am to be married soon and a home will be provided," she continued. She said the man, whom she was to wed knew about the child but that he was not its father.

OFFER OVERSUBSCRIBED

Chicago, Feb. 14.—(AP)—A \$4,000,000 issue of 4 per cent bonds offered by the A. E. Staley Manufacturing company, Decatur, Ill., was oversubscribed, the offering houses reported today. Formally offered at a price of 101, the bonds were subsequently quoted at a premium, with 103 1/2 bid, 103 1/4 asked.

More Towns Are Isolated As New Severe Cold Wave Sweeps Toward Midwest

Chicago, Feb. 14.—(P)—Rescue expeditions prepared for new attempts to reach snowbound communities today as one of the severest cold waves of the midwest's record breaking winter swept toward the east.

Hundreds of deaths from storms, blizzards and fire were counted throughout the Northern Hemisphere while concern over the welfare of residents of more than a dozen snow-bound South Dakota villages prompted formation of relief parties.

An airplane was equipped with skis at Belle Fourche, S. D., for an aerial survey of the isolated Meade county settlements. A huge tractor and snow plow was wheeled out at Sturgis. Another group planned to leave Newell to bring food and fuel to Fairpoint, Stoneville and Red Owl. At Bismarck, radio communication with Mud Butte, Marquette, Cedar Canyon, Fox Elder, Royal Center, Fairpoint and Sulphur. No word has been received from these towns since late in January.

Communication lines were down in the western part of South Dakota. Nearly all trains were tied up by a storm that was described at Newell as the worst in 60 years.

Eight Southern Minnesota communities were also cut off by wind driven snow. More schools and public buildings were closed in Iowa as the fuel shortage grew more acute. Virtually all train service halted and 75 per cent of the trunk highways were blocked. One train bearing 30 passengers was imprisoned in a 25 foot drift at New Hampton. Another with 20 aboard was stuck near Malvern.

These temperatures were the minimums in the "cold capitals" of the northwest: Custer, S. D., -44; Devils Lake, N. D., -40; Crookston, Minn., -35; Oakdale, Neb., and Helena, Mont., -28; Fort Dodge, Ia., -20.

The subzero belt stretched from Canada to Oklahoma. The frigid mass crossed the Mississippi on its eastern invasion. An overnight low of -10 was in prospect at Chicago. Another cold wave gripped the Pacific northwest, resulting in one death.

Storms churned over Europe and Asia. Minor, raising the death list of 275. The total in Turkey alone was set at 78 with property damage estimated at \$10,000,000. Searchers recovered 150 bodies from slums destroyed by fire in Tientsin, China.

Mukden Consulate Of Soviets Has Been Abandoned

Official Spokesman Declines To Connect Action With Recent Clashes

Moscow, Feb. 14.—(AP)—The Soviet government today ordered its consulate at Mukden, Manchoukou closed, but an official spokesman declined to connect the order with recent clashes between Japanese-Manchoukou and Soviet troops on the outer Mongolian frontier.

Repeated encounters which culminated in fighting Wednesday near Bulun Dersu, Mongolian border post, were viewed in official circles as creating a "serious although not alarming situation."

The order to close the consulate, the spokesman said, came "in view of the created conditions," a statement which was explained only by assertions the government felt it unnecessary to keep open an office "which we can get along without."

Foreign observers were inclined to regard the incidents on the Mongolian frontier more seriously than those which have been occurring on the Soviet border. They took the view that large scale aggression might be attempted with less hesitation against the Manchoukou than against the Russians.

Soviet dispatches said 10 Japanese Manchoukou soldiers were killed in the latest engagement which brought machine and field guns and airplanes into action.

78 Passengers Are Snowbound

Milwaukee, Feb. 14.—(AP)—Seventy-eight passengers were snowbound on two trains tonight as a new sub-zero cold wave whipped into Wisconsin.

Five locomotives and 150 shovels were battling to free a Milwaukee road train a mile east of Eagle, Waukesha county. The train left Milwaukee at 7:50 a. m. for Janesville and had been stalled with its 23 passengers since 10 a. m.

None of the riders had had a meal since breakfast. The train was kept warm and hot food was kept waiting for them at Eagle.

At Saukville, Ozaukee county, another Milwaukee road train was tied up and all other trains on the route were cancelled. A section crew was attempting to free a snowplow from a snow bank two and one-half miles north of Saukville.

The 55 passengers, however, were able to eat in Saukville. They returned to the coaches and were prepared to spend the night there if necessary. The train left Milwaukee for Green Bay at 8:40 a. m.

WILL SUPERINTEND MINE

Harrisburg, Ill., Feb. 14.—(AP)—William Elders, now superintendent of Peabody Coal Mine 19 at West Frankfort, Ill., will be superintendent of Peabody 43 when it reopens here soon after being closed for more than two years.

Company officials also announced today John Coleman, mine manager at West Frankfort, will succeed Elders as superintendent there.

Workers will begin cleaning up the mine Monday. A new smokestack will be erected to replace one blown down by wind May 1, 1935.

WILL APPROVE BILL

Frankfort, Ky., Feb. 14.—(AP)—A bill to protect newspapermen's confidences was passed by the Kentucky Legislature today and sent to Gov. A. B. Chandler, who is expected to approve it.

The measure was sponsored by the Kentucky Press Association after three newspapermen went to jail rather than violate what they considered a newspaper confidence.

PRESENT WINTER BREAKS RECORDS OFFICIALS SAY

May Be Forerunner Of More Severe Winters Generally

Attacking The Court

A popular pastime in the United States just now is a barrage of attacks on the Supreme court. The so-called progressive senators and the New Deal are sore because of what the court did to their pet legislation. They are out to "get" the court, evidently not realizing that if they succeed, they will lay the axe at the root of the American tree of liberty and justice.

H. L. Menchen, in a recent article, declares that the "Supreme Court is the only guardian of the Constitution that can be trusted. Scotch the nine old men on Capitol Hill and you turn the Bill of Rights into a scrap of paper."

That is what these "progressives" in the Senate would do, because of their hatred of the Court for two decisions that destroyed the New Deal socialistic legislation. They argue that the power of the Court to declare laws unconstitutional was initiated by John Marshall, which is not the fact.

That power was inherent in the system of government inaugurated by the Constitution and was so recognized by its makers. In fact nine of the 13 original states had already seen that power used by their own supreme courts before Marshall made the famous Marbury vs. Madison decision.

Sane and sober Americans would no more think of destroying the Supreme Court than the British would think of doing away with their Magna Charta. That document forms the basis of British liberty, just as the Constitution is the cornerstone of American liberty and the Supreme Court its guardian.

Three to Guina

A French court has sentenced three men convicted of conspiracy in the assassination of King Alexander of Yugoslavia, which occurred in France in 1934, to life imprisonment in the penal colony in French Guiana. Death sentences hang over three others who have not yet been apprehended. The actual killer was sent to his death on the spot. Thus France metes out punishment for a crime which might well have caused international difficulties.

The life sentence to the penal colony means Devil's Island for the conspirators. It also means life, not twenty years or a parole with time off for good behavior. It is the rule that anyone sentenced to the colony for more than five years has to stay there. He can never return to France.

There is little chance for an escape from the colony, except by sea, and the voyage in an open boat through shark-infested waters and burning heat is undertaken only by the most desperate. The colony on shore is surrounded by deep jungles through which no man may care to journey as an escaped convict.

"Tell Uncle All About It"

The government is inaugurating a survey to find out how we humble citizens spend our incomes, if any. The project is a "white collar" job for WPA labor that will employ several thousand canvassers for a few months. Washington wants to know what part of our income goes for food, clothing, shelter, taxes, savings, incidentals, or what have you. All classes of incomes are to be surveyed from the smallest to the greatest.

Just how the information will be used once it is obtained, has not been said. But we hazard a guess that some new tax legislation is coming and the taxers want to know just how much we have left that they can take, without actually starving us to death. We suggest that the income snappers also make a list of our debts and strike a balance.

Anyhow we are going to be asked to "tell Uncle" and we're wondering if we can get by with telling him it is none of his business. We're afraid not, but we'd like to try it.

Laws Governing Speed

When a Mount Holly, N. J., driver asked for restoration of his automobile license, forfeited a year ago, Arthur Magee, state motor vehicle head, told him, "All right, but you've got to have a governor on your car."

So the autoist agreed to the unprecedented regulation and got his license restored to him. The governor will keep his car from moving faster than 40 miles an hour.

Here it appears, is a practical weapon for fighting the speed menace. There may be some question in many states as to the legality of requiring governors under existing statutes. But that ought to be easily adjusted. The point is, in the use of governors, speed control could be guaranteed at all times.

Need for such regulation was aptly put recently by Gov. Tom Berry of South Dakota. Commenting on the increasing hazards of automobile speeds the executive said: "There may be too many governors now, but I'm in favor of one for every car."

Sensible Repatriation

The latest campaign of the Mexican government to repatriate thousands of its jobless citizens living in the United States is good news to American labor.

A recent official government estimate showed 500,000 Mexicans living in the United States, mostly in the southwest. A large number of them are on the dole.

Now the Mexican government is renewing its effort to return most of this native population to the Mexican state. The plan is to provide transportation across the border and to settle the families in agricultural colonies. This appears to be sound rehabilitation on the part of the Mexicans; and, coming at a time when employment is unobtainable for millions in the United States, cannot fail to appeal to our own people.

Behind The Scenes In Washington

You'll Be Hearing An Extra Large Earful About The Supreme Court in the Campaign.

By RODNEY DUTCHER
(Journal-Courier Washington Correspondent)

Washington.—The issue of a constitutional amendment is not likely to enter the presidential campaign in any large way, but the supreme court, the men who serve on the supreme court, and the decisions of the supreme court are sure to be thrown into the forefront.

It will be easy to get mixed up as to the extent to which the Constitution really is an issue. The New Deal's foes will try very hard to make it appear that Roosevelt is a great menace to that document and would like to destroy it altogether.

Roosevelt policy, hardly yet evolved, will be to evince reverence for the Constitution while putting over the idea that New Dealers are the Constitution's best friends who seek to save it from the attacks of corporation lawyers and the usurpations of reactionary judges.

Both sides will have a certain amount of tongue in cheek, since each in mapping tactics takes into account a popular reverence for Constitution and court which is based more on instinct and tradition than on knowledge and understanding.

The Din Will Be Terrific

You will hear Roosevelt compared with Abraham Lincoln, who refused to accept the Dred Scott decision as final, and while promising to obey it, worked for the day when the court would be anti-slavery.

You will hear how the court often reverses itself, how one judge or two can control a nation's economic destiny, how the court is divided on liberal-conservative lines closely paralleling those of the political campaign itself.

You will hear how the three liberal justices have challenged the motives of the six conservatives and you will be urged to accept the legal leadership of Brandeis, Stone, and Cardozo—along with the political leadership of Roosevelt.

And as you hear all that, the answering cry of "Communism" and "Socialism" from the Republicans and the Liberty Leaguers will be ringing in your ears.

You will have to decide whether to believe the six justices who say they have passed on legislation on purely legal, constitutional grounds or the three justices who insist that the majority has been motivated by economic and philosophic considerations.

But first you should check over the backgrounds of the nine justices, to understand the argument.

Looking At Their Records

The six who voted to kill the AAA (and also took the conservative side in the significant Vermont and North Dakota tax cases) may be classified in accordance with predominant characteristics of their records prior to present service on the court as follows:

Chief Justice Charles Evans Hughes—Republican office-holder and statesman, presidential candidate and corporation lawyer.

Pierce Butler—Railroad lawyer, Democrat appointed by Hoover.

Owen J. Roberts—Republican, corporation lawyer, and Teapot Dome prosecutor.

George Sutherland—Republican politician, U. S. senator, and corporation lawyer.

James C. McReynolds—Democrat, corporation lawyer, and trustbuster.

Willis Van Devanter—Republican politician and Republican circuit judge.

The three liberal justices may similarly be classified as:

Louis D. Brandeis—Advocate of day afternoon.

'ROOSEVELT OUT TO CUT U. S. SPENDING'

public causes and legal crusader against "vested interests."

Harlan F. Stone—Republican, primarily a teacher of law, but also once a corporation lawyer.

Benjamin N. Cardozo—Legal scholar and jurist.

Judge for Yourself

There is no taint attached to practice as a corporation lawyer or to participation in the game of politics. Most able lawyers become corporation lawyers and many of the ablest statesmen have been smart politicians.

Yet it is obvious that the backgrounds of the conservative justices were far more mixed up with those influences than the backgrounds of the liberals and you are entitled to decide for yourself how important the respective backgrounds have been in judicial decisions.

Morgan is Allotted \$3,458 of Gas Tax

Monthly Shares are Given Friday; Total For State is \$570,061

Springfield, Ill.—(AP)—The Finance Department yesterday allotted \$570,061 to Illinois counties as their share of January gasoline tax collections, holding out an additional \$256,436 as reserves against the two relief bond issues.

Morgan county's allotment for the month is \$3,458, which will be set aside for use on the highways of the county as needed. The Schuyler county allotments is \$1,126. No other county allotments for the twentieth district were included in the list published yesterday.

Probate Court Orders

Estate of Luther A. Barr—Proof of heirship.

Estate of John A. Farra—Petition for sale of real estate to pay debts. Entry of appearance of all heirs and parties defendant. Evidence heard and decree entered.

C. E. Beasley of Arenzville was a visitor in the city yesterday.

C. A. Gunn was among those transacting business in the city yesterday from Murrayville.

Amos Western is Corn Champion at Jacksonville High

Junior Corn Show Results Announced and Silver Cup is Awarded

Amos Western has been declared winner of the Junior Corn Show sponsored by the Jacksonville High school agricultural department, and has been awarded a silver cup. Young Western, who is fourteen years old, will hold the cup until next year.

The first four upper-classmen in the corn show were:

First—Amos Western; second, Howard Ferreira; third, John Hadden; fourth, David Greenleaf.

In the Freshman class—First, Charles Reed; second, Harold Stice; third, Ralph McKinney; fourth, Robert Summers.

Single ear honors went to Howard Ferreira, first; Eugene Martin, second; Lee Ward, third; John Hadden, fourth; James Wilson, fifth.

The corn was judged by John Loomis, agricultural instructor in the high school.

John C. Chittick is Buried at Virginia

Services Held at Church for Well Known Man; Stanley Funeral

Virginia—Funeral services for John C. Chittick, 66, lifelong resident prominently identified with civic progress in Cass county, were held Thursday afternoon at the Presbyterian church, with the pastor, Rev. W. S. Neely, officiating, assisted by Rev. J. W. Armstrong of the Methodist Episcopal church, and Rev. J. Henry Parker of the Christian church.

Mrs. F. D. Savage and Mrs. L. S. Yapple sang a group of songs, with Mrs. S. R. Turner at the organ. Casket bearers were: Burton Springer, Frank W. Bristow, Glen Sinclair, Walter Adkins, Ray Cline and Jesse McNeely. The local Masonic order, of which the deceased was a high official, held impressive rites at the interment in Walnut Ridge cemetery.

Martin Stanley Funeral

Funeral services for Martin Stanley, 78, last member of a well-known pioneer Cass family who died Monday, were held Wednesday afternoon at the J. H. Massie funeral home in this city. Rev. J. Henry Parker, pastor of the Christian church, was in charge and the music contributed by Mrs. I. S. Yapple and Mrs. F. D. Savage, with Miss Iva Lancaster, accompanist. Burial was made in Walnut Ridge cemetery.

Lincoln is Subject Of Talk at Rotary

Chalmers Giffen Reviews Life of Emancipator in This Locality

Chalmers Giffen was the Lincoln Day speaker at the Jacksonville Rotary club meeting at the Peacock Inn yesterday.

Friday's meeting was the opening of the attendance contest with the Kiwanis club, the loser to provide a dinner for the winner. The Kiwanis club met Thursday and appears to be leading the Rotary club, unless several Rotarians make up their attendance during the week.

Mr. Giffen opened his address by telling the Rotarians something about the coming of the Lincolns to Illinois.

He then told about Lincoln's debates with Douglas, and reviewed several important court cases in which Lincoln participated. Several of these cases were from Morgan county. Mr. Giffen said that records show that the last case that Lincoln had in court was from Morgan county.

E. R. Freeman, general secretary of the Y.M.C.A., from Chicago, was a guest of the club.

Propose Museum at State School Here

Teachers of Deaf Promote Project for Valuable Collection

Members of Mu Iota Sigma, national Fraternity for Teachers of the Deaf, were guests of Misses Edith White and Bernadette Cosgriff Tuesday evening.

The work of the meeting was in charge of Miss Amelia DeMotte, chairman of the local project to establish a school museum. Members of Miss DeMotte's committee reported as to their success in obtaining exhibits for the museum. A very encouraging beginning has been made and it seems certain the school will soon be in possession of a large and valuable collection of material for the use of the teachers and students.

WATER PIPE BURSTS

Firemen were called at 8:30 o'clock yesterday morning to the residence of J. A. Paschall, 310 West College Ave., where a hot water pipe near the furnace had burst. There was no fire caused by the accident.

Liberberry visitors in the city yesterday afternoon included George Decker.

C. A. Gunn was among those transacting business in the city yesterday from Murrayville.

McMURPHYS LEAVE FOR FLORIDA VISIT

Telling friends that he was convinced the ground-hog saw his shadow Feb. 2, Nelson McMurphy and his wife yesterday morning boarded a bus for Florida where the couple plan to spend the next few weeks.

Mr. and Mrs. McMurphy will make the trip to St. Louis in a bus, and plan to complete the rest of the trip to warmer climes by rail.

They will also visit their daughter, Mrs. T. C. Hagel and family, in Atlanta, Ga.

Father Lawler in Eloquent Address To Franklin P.T.A.

Speaks on Patriotism at Community Meeting; Lincoln Honored

Franklin—Weather and roads cut down the size of the audience that heard an eloquent address on patriotism by Rev. F. J. Lawler, of Jacksonville, at the February meeting of the Parent-Teacher association in the high school gym Wednesday evening.

First paying tribute to the memory of Lincoln, Father Lawler gave the audience some pertinent facts and figures on the growth of communism in this country and what the movement means, charging that it has for its objects, among others, the abolishment of religion, the rights of property, the rights of jury trial, and the government of the United States from a headquarters in Moscow. He said that while the average citizen thinks the movement is of little consequence, it is quietly forging ahead, and there are ample evidences that it is creeping into our schools and colleges and is becoming a national menace.

He turned to national defense, and presented figures showing that the United States is far behind other nations in equipment and trained men, and ranks below others of much less importance. His conclusion was an eloquent plea for greater love of country, adherence to the teachings of the Christian religion, and a common regard for the welfare of all.

In opening the program the audience stood and sang "America" with Luther Wiley leading, after which Miss Helen Holland gave a Lincoln reading. Donald Ransdell, president of the association, presented W. N. Luttrell, who introduced the speaker of the evening. Father Lawler was invited to come back and talk to the high school assembly at a later date, and it is expected that he will do this some afternoon before the term closes.

SCHUREMAN FUNERAL HELD AT 3:30 FRIDAY

Funeral services will be held at 3:30 o'clock yesterday afternoon in the Reynolds Chapel for Miss Nellie Schureman, with Rev. W. A. Richards of the Congregational church officiating. Interment was made in Jacksonville cemetery.

Mrs. Ralph Hutchinson was at the pipe organ during the rites. Casket bearers were Frank Leach, C. W. Rhodes, T. H. Buckthorpe, Dr. A. R. Gregory, Albert Phillips, Frank Fades, Charles Crandall and Earl Walters.

The flowers were cared for by Miss Christine Kendall, Miss Martha Hoffman, Miss Lydia Hoffman, Mrs. Snyder, and Mrs. Frank Hein.

FULLER INFANT IS PNEUMONIA VICTIM

Charles Henry Fuller, nine months old son of Mr. and Mrs. Charles Fuller, died Thursday night in Detroit, Mich., from an attack of pneumonia. His father is a former Murrayville resident.

The remains of the child will be brought to Murrayville, arriving on the Alton train at ten o'clock this morning, and will be taken to the Thompson Funeral Home.

Services will be held Sunday afternoon at two o'clock at the Murrayville M. E. church.

Assembly Program At Junior High in Charge of Scouts

Anniversary Week Feature Pleases Students; Many Stunts Show Work

A Boy Scout program was given at Junior High school assembly, Tuesday, Feb. 11, celebrating Anniversary Week.

The program was arranged and in charge of H. F. Finkle, Scout executive.

Ralph Thomson, Troop 7, gave the history of Scouting in America, how a "good turn" by a British Scout to an American brought scouting to U. S. A.

Stunt, "The Dynamic Newspaper"—Scouts from Troop 10, directed by Edward Roy and Arthur Martin.

Stunt, "Christopher Columbus Discovering America"—Scouts from Troop 7, directed by Jerry Prosterman.

"Casey at the Bat"—Monologued by Bob Blaine; assisted by other members of Troop 7.

Harold Spencer of Troop 10 received his tenderfoot badge with candle ceremony. Ralph Thomson, Tom Caldwell, Arthur Vorhes, Bob Blaine, Bob Guess, participating.

Jerseyville Elks Will Honor Rulers

Meeting Next Tuesday for Past Heads of Order; Arrange Program

Jerseyville—The past Exalted Rulers of the Jerseyville Elks lodge will be honored at a special meeting which will be held in the club rooms next Tuesday evening, February 18th. This month also marks the seventieth anniversary of the formation of the Grand Lodge. There are seven past exalted rulers in the Jerseyville group.

The program for the occasion has not yet been completed, but is being formulated by a committee composed of Arch D. Nelson, Attorney Russell Schwartz and Fred D. Jacobs, Jr.

Only one death has occurred in the ranks of the past exalted rulers. The late mayor, William F. Shephard whose death occurred last November, at one time served as exalted ruler of the local organization.

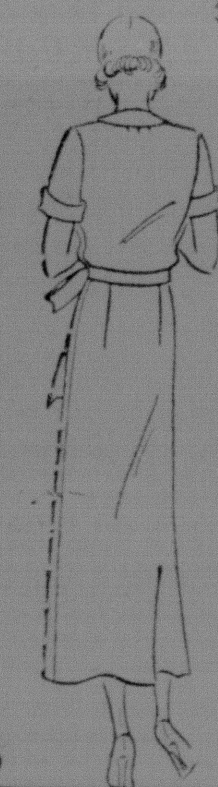

The other past exalted rulers are Attorney Isaac D. Snedeker, Walter E. Ely of Chicago; Louis H. Brookman, Attorney Martin J. Dolan, Leslie K. Jacoby, William P. Ryan, Jr., Clarence C. Schmidt, Edward L. Bray, J. J. Walsh, Francis Walsh, State's Attorney R. Clyde Chappell, Thomas G. Adams, August F. Mittel, Dr. Bryan Caffery, Byron C. Coultas and Samuel Stephenson.

REV. DONALD FINLEY WILL ADDRESS LOCAL CHURCHMEN
Rev. Donald Finley, pastor of the Ashland Christian church, will address the Jacksonville Men's Federated Church club at its February meeting next Monday evening. The meeting will be held in Centenary M. E. church.

Dance, Sat. Night, A. C. W. of A. Hall. Adm. 25c. Norvell's Orchestra.

White Hall Homes Cold When Heating Plants Break Down

Cold Weather Causes Much Inconvenience; P.W.A. Workmen Injured

White Hall—The continued extreme cold weather is playing havoc with stoves and furnaces and a number of families in this vicinity have had to be without heat in their homes for from one to five days because furnaces gave out in the midst of the cold spell. The heavy firing has caused furnaces to crack and stove linings to burn out that in ordinary winter weather would have lasted out the season, at least. There has been at least one instance of a new furnace that was installed during the past fall that went bad and had to be repaired. That was laid to a defect in the mechanism, however.

PWA Workers Injured
Two men working on the WPA projects in the city were injured during Wednesday and Thursday, because of the icy conditions. Lon Manley slipped Wednesday while working in a grove pile and fractured his knee. Isham Chapman slipped into a scoop shovel Thursday and cut his nose so badly that two sutures were required to close the wound and he was given a tetanus shot.

A son born to Mr. and Mrs. Raymond Axley Wednesday night died at birth and was buried in the White Hall cemetery Thursday.

Supervisor H. O. Johnson is improving at his home where he has been suffering with a heavy cold and heart complications but is not permitted yet to receive company.

Mrs. Lloyd Rafferty who has been ill with influenza at her home on

East Bridgeport street is improving. Mrs. Elliott Ross is improving from a heavy cold and expects to be able to be up and about the house in a day or so.

Mr. and Mrs. A. J. Harding drove to Woodbury Wednesday to visit their niece and her husband, Mr. and Mrs. Faradan Roe. Mrs. Roe before her recent marriage was Miss Thelma Russell, R. N. of this city.

Mr. and Mrs. H. C. Windt drove to St. Louis Wednesday on a business trip and report they had a bad time returning over the icy pavement.

Mrs. Nellie Ferguson and daughter, Mrs. John Stout drove to Alton Wednesday on a shopping mission. They had expected to go to St. Louis but found the roads so slippery they decided not to go farther than Alton.

Arenzville Woman's Club Has Election

Mrs. C. H. Nickel, President of Civic Group; Plan Exams in School

Arenzville—Mrs. Lester Smith entertained the Arenzville Woman's Club at her home Tuesday afternoon. The meeting was opened by the song, "Illinois" and the pledge of allegiance to the flag. Roll call was answered by a Valentine verse. During the business meeting conducted by Mrs. C. H. Nickel, president, the report of the nominating committee which was made by Mrs. Frank Hiernan, chairman, was unanimously accepted.

The new officers are as follows: First vice-president, Mrs. J. J. Newton; second vice-president, Mrs. H. C. Johnson; secretary, Mrs. Dale Beard; treasurer, Mrs. Robert Beard. Other members of the nominating committee included Mrs. Walter Huey and Mrs. Albert Kolberer.

Mrs. F. A. Pielgrof, chairman of the welfare committee, also announced a medical examination of grade school children would be made March 11, 12 and 13. The examination will be in charge of Miss Leona Ware, R. N. and Dr. Elizabeth Ball of the State Health department.

After the business meeting a group of songs were sung and a very interesting talk on "Women in Journalism" was given by Miss Vivian Schaeffer of Beardstown. A Valentine box was a feature of the afternoon. The home was also decorated with Valentine decorations and a bowl of cut California flowers formed the centerpiece of the dining table where Mrs. F. A. Pielgrof served tea. Refreshments were also in keeping with the Valentine season.

Assistant hostesses were Mrs. A. M. Johnson, Mrs. Robert Beard, Mrs. Arthur Wood, and Mrs. F. A. Pielgrof.

The regular meeting of the Monroe Household Science club was held Tuesday afternoon at the home of Mrs. J. E. Peck of Springfield. The hostess was assisted by Mrs. Homer Floke and Mrs. George Huffman. Mrs. Alice Paschal gave a review of "The Soul of Ann Rule"; Mrs. Huffman gave a reading and Mrs. Edward Roeger sang a group of old time selections.

CHILI CON CARNE IS NUCLEUS OF SIMPLE MEAL

BY MARY E. DAGUE
NEA Service Staff Writer

Some day, of course, they'll do something about those three meals a day that every housekeeper has to produce on uninspired as well as inspired days. Until the glorious day when something is done we must just grab off new recipes wherever we can find them and use them to mitigate the monotony. Here, for instance, is a dinner! Chili con carne, head lettuce, and apple ginger pudding.

Chili Con Carne

One-half pound lean veal, 1-2 pound lean pork, 4 ounces spaghetti, 1 quart can tomatoes, 4 onions, 2 tablespoons fat, 1 teaspoon salt, 1-4 teaspoon pepper, 1-2 teaspoon chili powder, 2 teaspoons sugar.

Melt shortening in skillet. Add onions peeled and cut in thin slices. Cook slowly for five minutes. Add meat put through the food chopper, and brown quickly. Add tomatoes, salt, pepper, and sugar and simmer thirty minutes. Cook spaghetti in boiling salted water for ten minutes. Drain and add to meat and tomato mixture. Season with chili powder and cook thirty minutes longer.

Apple Ginger Pudding

Two cups sliced apples, 1-4 cup

brown sugar, 5 tablespoons shortening, 1-3 cup boiling water, 1-3 cup molasses, 4 tablespoons granulated sugar, 1 egg, 1 cup cake flour, 1-4 teaspoon salt, 1-4 tablespoon soda, 1-2 teaspoon baking powder, 1 teaspoon ginger, 1-4 teaspoon cloves, 1-2 teaspoon cinnamon.

Melt shortening in boiling water. Add sugar (granulated) and molasses and beat with rotary beater. Add egg and continue beating. Mix and sift flour, soda, baking powder, salt, and spices. Add to first mixture and beat until smooth. Put apples in a well buttered baking dish and sprinkle with brown sugar. Pour over batter and bake forty minutes in a moderate oven (350 degrees F.). Serve warm with whipped cream.

Apricot Salad

Two tablespoons granulated gelatin, 2 tablespoons cold water, 1-2 cup whipping cream, 1-2 cup mayonnaise, 2 tablespoons powdered sugar, 2 tablespoons orange juice, 1 cup apricot puree.

Soak dried apricots over night and stew until tender. Rub through a sieve but do not sweeten. Soften gelatin in cold water for five minutes and dissolve over hot water. Whip cream until stiff. Add sugar, mayonnaise,

and melted gelatin and blend thoroughly. Add apricot puree and orange juice. Mix well and pour into a mold. Chill or freeze as preferred. Unmold on a bed of lettuce and serve with French dressing.

This apricot salad will do duty for both salad and dessert.

Dried Lima Bean Soup

This soup is splendid to reheat if there is any left. Keep in mind for use in housecleaning and gardening season.

Daily Menu

BREAKFAST: Orange juice, cereal cooked with dates, cream, corned pancakes, milk, coffee.
LUNCHEON: Lima bean soup with crouton, beet and lettuce salad, cinnamon rolls, milk, tea.
DINNER: Chili con carne, head lettuce with French dressing, apple ginger pudding, milk, coffee.

One pint dried lima beans, 2 cups canned tomatoes, 1 small pepper, 12 cloves, 2 teaspoons salt, 1 teaspoon sugar, 1 small onion, 2 tablespoons butter.

Soak beans over night. Drain and cover with cold water. Add onion which has been peeled and cut in quarters, cloves and pepper cut in shreds with seeds removed. Boil for two hours or until tender. Add salt and tomatoes and sugar and cook thirty minutes longer. Rub through a coarse sieve. Return to the fire, add

Social Events

Daughters of 1812

To Meet Today

The regular meeting of Francis Scott Key chapter, U. S. Daughters of 1812, will be held at 2:30 o'clock this afternoon at the American Legion home. The speakers for the occasion will be Mrs. Joseph Grout and Fritz Haskell, both of Winchester. A large attendance of the membership is desired. Each member is entitled to bring a guest.

Brown's Business College

Annual Valentine Dance

One hundred twenty-five Brown's Business College students, alumni and friends enjoyed an annual Valentine dance Thursday evening.

The annual social function was held at the college between the hours of 8:30 and 12:00. Goes Orchestra furnishing the music for a dance program of fourteen numbers including three special numbers.

The committee in charge of the Valentine dance was Jerry Hagen, chairman; assisted by Margy Jewsbury, Harold Hempel, Lyle Davis and Ruth Foster.

Mrs. Albert Smith Is Honored on Birthday

Mr. and Mrs. Albert Smith were pleasantly surprised at their home Thursday evening in honor of Mrs. Smith's birthday, which is on Valentine's day.

The evening was spent with four tables of pinocle at play. Prizes were awarded to Mr. and Mrs. Earl Hopper, high; Mr. and Mrs. Russell Saylor, second, and Mr. and Mrs. Fred Massey, low.

At the close of the play dainty refreshments were served. Those present were: Mr. and Mrs. Russell Little, Mr. and Mrs. Russell Saylor, Mr. and Mrs. Charles Pulton, Mr. and Mrs. Earl Hopper, Mr. and Mrs. Harold Spaulding, Mr. and Mrs. Fred Massey, Miss Rosemary Madden, Clarence Smith and Mr. and Mrs. Albert Smith.

Y.W.S. Club Members At Valentine Party

The Y.W.S. club was entertained at a Valentine party Thursday evening at the home of Mr. and Mrs. Allen Henderson, north of the city, with Mr. and Mrs. Milton Birdsell as assistants.

Valentine boxes and Valentine contests were enjoyed by the guests. Delicious refreshments were served by the hostesses.

The next meeting will be held at the home of Sarah and Ina Houston.

Observe Fortieth Wedding Anniversary

Neighbors and friends of Mr. and Mrs. W. C. Thompson surprised them at their home east of the city Wednesday evening on the occasion of their fortieth wedding anniversary. About 35 were present.

Refreshments were served during the evening, which was spent in games and contests.

Valentine Party At Morton School

A program and Valentine exchange was held yesterday afternoon at the Morton school east of the city taught by Miss Palma Mae Oddy. Several of the mothers visited the school and brought refreshments for the children. Ice cream, cake, popcorn balls and other good things were enjoyed.

Jacksonville High Speeds To Victory As Routt And I.S.D. Lose

A. Ketner Gets 21 Points as Crimsons Win

Petersburg Holds J. H. S. In Check For First Quarter Then Weakens

Victory number 19 went down in the Jacksonville high school basketball record books last night on the David Prince court as the Crimsons swept over Petersburg 45 to 7, with their greatest show of defensive skill of the season. A large number of wearers of the high school athletic honor emblem were present to see the Crimsons flash one of the greatest scoring combinations assembled here for many years.

Allyn Ketner was the particular hot-shot last night, his left-handed flip shots ringing up nine goals from the field and three from the free throw line to bring his endeavors for the evening to a total of 21 points. Ketner took Bob Haman's place in the starting line-up when the tennis playing southpaw was forced to remain at home because of illness.

Petersburg kept the Crimsons in check with a tight defense in the first quarter, which wound up 5 to 2, but the Crimsons put on one of their characteristic bursts of speed, and wound up the half with a 15 to 4 margin. The visitors failed to score in the third period, during which J. H. S. registered 13 points, and then J. H. S. finished with a 17 point burst of speed.

Looking like the Crimsons that ran up a winning streak of 17 games against a single defeat, the Crimsons appeared to have regained all of their former ball handling form.

Tonight the Crimsons will play at Jerseyville.

In a curtain raiser, the freshmen defeated a team made up from upper classmen 21 to 18.

Winchester Defeats Pleasant Hill 26-11

Winchester, Feb. 14.—Tossing in 11 points in the last three minutes, Winchester high tonight took advantage of breaks in the Pleasant Hill defense to win an Illinois Valley conference basketball game 26 to 11. The Wildcats put on a furious burst of scoring speed in the final minutes of a rough and tumble game after Pleasant Hill had been dangerously close all the way.

Using their delayed offense for all that was in it, Winchester controlled the ball most of the way through the game. Pleasant Hill blew several shots during the opening half, but drew up in the third quarter to trail only three points at the finish.

The box score:

Wesleyan Will Play Blueboys Here Tonight

I. S. D. And Litchfield Will Open Double Bill; White Hall At Routt

Probable Starters

Illinois	Pos.	Wesleyan
C. Fletcher	F.	Cochran
Lambert	F.	Wallace
Clark	C.	Ruff
V. Fletcher	G.	Morgenthau
Watts	G.	Horenberger

Time—8:30 p. m.
Place—I. S. D.
Officials—Art Bergstrom, Monticello and Eddie Jacquin, Champaign.

Making their plans so that they will avoid another midnight session, Illinois College and Wesleyan will play the Blueboys and the Litchfield school on the Deaf tonight will take on two top notch foes in one of the season's basketball features, the Blueboys meeting Illinois Wesleyan in a Little 19 conference game, after the Tigers settle their basket debate with Litchfield. The Tigers will get their game underway at 7:30, with the college game slated to begin about 8:30, but probably a little later.

Fan Breezes By Ernest Savage

Twenty-one years in the same job hasn't dimmed any of the zest with which Pearl high school's superintendent goes about the business of taking care of the affairs of the school and the athletics.

W. Byron Garrison, who has had his ups and downs along with other school executives in the past few years, is finding things much better now. The addition of a new gymnasium to the school plant, where he has served 21 consecutive years, have brought new joy into his life.

Popular in the town along the river-front, Garrison is looking forward to more interest in the school activities as the result of the construction of the gymnasium. Garrison has a fine basketball team this year to go with his new gymnasium.

Death has struck the Browning high school basketball team. Lloyd Ray Dickey, 17 year old sophomore, succumbed after an attack of pneumonia last Saturday morning. His parents were unable to attend his funeral because they were suffering from the same malady.

Dickey became ill Jan. 23, and for a time appeared to improve. Then he had a relapse and a blood clot formed on his heart, bringing his death. Five brothers and sisters survive.

Roodhouse high has come to the end of its home basketball games, just in case you are looking for some sign that basketball is just about to waltz into its last stage. From now on the Railroaders will be performing on foreign courts.

Ashland Rally Defeats Routt In Fast Game

Rockets Hang On Through 3 Periods And Then Drop Hard Fought Game

Ashland, Ill., Feb. 14.—(P)—Ashland High School basketball players opened up in the final period of their game with Routt High of Jacksonville here tonight and defeated the visitors 17 to 10 after the Rockets had played the home boys to a standstill, in the earlier periods.

The locals led the visitors at the close of the opening quarter 8 to 6, but had their lead cut one point as the half ended with the home boys leading 9 to 8. At the end of the third period Ashland was out in front with a 11 to 9 count.

Lynn was high point man for the locals, dropping in four field goals and one free throw.

Desperately fought throughout, the Rockets whizzed the ball around the court through the first three periods to get in for shots, but they couldn't sink the ball. Ashland spent a large part of the time on defense, and found the Routt defense one of the toughest they have faced this year.

Routt also had trouble with the Panthers' tight defense, knocking down passes and using its height to stop some of the Routt work around the basket.

Bluffs Overcomes Alsey By 36 To 13

Alsey, Feb. 14.—After getting off to a good start, Alsey fell under the spell of some plain and fancy shooting by the Bluffs Jays to drop a 36 to 13 decision. The Bluffs Indians defeated the Alsey Blackhawks in the nightcap 58 to 43.

Bishop and Morthole were the high gunners for the winners, leading the Jays on a drive to a 19-11 lead at the end of the first half after Alsey had taken an 8-6 lead at the end of the first quarter.

I.S.D. Tumbles Before Shadow Scoring Drive

Each Team Has One Bad Quarter But Shadows Throw Thirs Off To Win 34-19

Murrayville, Feb. 14.—Both Murrayville and Illinois School for the Deaf had one bad quarter here tonight, but the Shadows tossed off their failure to score heavily in the third quarter to toss in 14 points in the final period to beat the Tigers 34 to 19. Murrayville grabbed the lead in the first quarter and held it all the way to get revenge for a defeat handed them on the I. S. D. court.

Baker led the Shadows on their scoring jaunt against the Tigers, dropping in 15 points to distance the rest of his mates.

Playing a cautious game, but striking quickly at the Tigers, the Shadows took a 9 to 5 lead in the first quarter, and then dashed out to a 17 to 7 lead at the end of the first half.

The Tigers tightened up to open the second half, and held Murrayville to three points while they were scoring eight, but Murrayville broke loose again in the final quarter to notch 14 points while I. S. D. was scoring four.

The I. S. D. seconds defeated the Murrayville reserves 25 to 18 in the curtain raiser.

Perry Wins Battle With Milton 37-19

Milton, Feb. 14.—Perry high's tall team continued its conquest in the Pike County basketball conference here tonight with a fast scoring assault to defeat Milton 37 to 19. Heine, center, led the Perry team with 15 points.

Perry put on a drive in the first quarter to take a 10-4 lead, and continued to enlarge it for the remainder of the game.

Swimmers To Meet In I. S. D. Waters

Swimmers from Illinois College and Illinois Wesleyan will meet this afternoon at 3:45 in the I.S.D. pool in the first dual match of the season for the local team.

Although the seating capacity is limited, there will be a few seats available for persons other than students of the college.

Although turned back at Millikin, the Blueboys hope to at least give Wesleyan one of their hardest games of the season. Coach LaRue Van Meter said yesterday he probably would use the same line-up that appeared against Millikin before a large crowd, and confessed that hopes of victory while not high, had not been entirely tossed away.

Still another team of more than usual success will invade the local courts tonight when White Hall, winners in 16 out of 18 games this season, invade the Routt high court for a double header. White Hall soundly thumped the Rockets in an earlier game, but Routt has improved since that meeting.

Jacksonville high will carry its conquest for more victories to Jerseyville tonight.

Wesleyan Leads League

Wesleyan is leading the Little 19 conference at present, and has not lost a single conference game. Coach Harry Bell, former Corpus Christi, Galesburg, coach who sent his eagles to a state Catholic championship on the same boards over which tonight's battle will be fought, is coming up with a champion, apparently, in his first year at Wesleyan.

Cash Ball has 4 players to use alternately during the game, and confesses that at times he is unable to select the best eight out of the group. A large number of the players are freshmen and sophomores.

Arthur Bergstrom, former Jacksonville, led who at one time managed the Illinois College basketball team, has been approved by Coach Harry Bell as one of the officials. Bergstrom will work with Eddie Jacquin, sports editor of the Champaign News Gazette.

Waverly Snatches Win From Pawnee

Waverly, Feb. 14.—Coping with a slow breaking attack used by their opponents, Waverly high tonight kept its place in the M. S. M. conference secure by snatching an 18 to 12 victory from Pawnee.

Newberry, leading M. S. M. scorer, tossed in eight points for the winning team. Waverly reserves trimmed the Pawnee reserves 19 to 12 in the curtain raiser.

Greenfield Defeats Carrollton 23-20

Greenfield, Feb. 14.—Fighting an uphill battle all the way, Greenfield tonight notched its first Illinois Valley conference victory of the season over Carrollton 23 to 20. Greenfield took the lead in the final quarter after Carrollton had led through the first three periods.

Carrollton tossed away its chances to win the game from the free throw line, missing 15 chances out of 23 shots. Greenfield scored eight times and missed as many.

The Hawks led 14 to 8 at the end of the first half, but Greenfield cut the margin to a single point during a third quarter rally, 17-16, and then went out in front. Greenfield seconds won the curtain raiser 20 to 10 from the Little Hawks.

Wheat Market Is
One Cent Higher

By John P. Boughan

Associated Press Market Editor

Chicago, Feb. 14.—(P)—Wheat rose about a cent today responsive to southwest crop damage reports, with prospects of one of the severest cold waves yet this season.

Southwestern advices indicated the most unfavorable crop outlook so far in 1936. Millers were buyers, and there were signs that flour business had improved somewhat.

Dust storms in portions of four states—Kansas, Colorado, Texas and Oklahoma—the so-called dust bowl, attracted special attention as being in some degree a recurrence of condition that wrought havoc to crops a year ago.

Wheat closed firm, 1-1/2 up, May 61 1/2-61 3/4; oats 1-1/2 advanced, and provisions unchanged to a rise of 5 cents.

July and September wheat contracts, representing the 1936 domestic harvest, developed in particular an upward price tendency. Owing, however, to relative weakness of Liverpool and Winnipeg markets, May deliver was inclined to lag. There was a dearth of immediate export demand for Canadian wheat, and cables noted liquidating sales at Liverpool because of large Australian shipments and also beneficial rains in Australia.

Contributing to wheat market strength was the fact that further talk of inflation, prevalent in some quarters. Comparative smallness of domestic receipts of wheat was also a subject of attention and Winnipeg messages said American mills bought 400,000 bushels of wheat there today. Bull leaders asserted it is inevitable that as the season progresses the virtual elimination of Argentine as an exporter to Europe will be an increasingly important factor.

Political
Announcements

FOR DELEGATE

I hereby announce myself as a candidate for delegate, from this congressional district, to the Republican National Convention, subject to primary, Tuesday, April 14, 1936.

H. L. CHAPMAN.

Bomb Birds from Air—With Feed

Aerial bomb target practice was resorted to to save the life of wild fowl facing starvation because snow and ice covered natural feeding grounds in northern New Jersey. National Guard pilots flew over game habitats and dropped bags of feed much as they would bombs in wartime. Shown loading a plane at Newark are, left to right, Game Commissioner Harry Armstrong, Dr. Phil Gootenberg, of the Consolidated Sportsmen of New Jersey; George C. Warren, president of the Game Commission, and Game Warden Roy Williams.

Hog Prices 15
Cents Higher

Chicago, Feb. 14.—(P)—With forecasts of colder weather, packing interests were active buyers of hogs and cattle today as they sought to build up supplies in anticipation of a return of the livestock market to a storm basis.

Hog prices were unevenly steady to 15 cents higher. The comparatively small run of 6,000 was taken quickly on the rising market and holdover was estimated at only 200. The top was \$11.15.

The supply of cattle also was fairly well cleaned up at generally strong to 25 cents higher prices. Several loads grading good and choice sold at \$9.50 upward to \$11 and a top of \$12.40 was paid for strictly choice medium weights.

Pat lambs, with 12,000 sheep on hand, were mostly 15 to 25 cents lower. The bulk of fed westerns sold at \$10.25 upward. Native ewes were quoted at \$4 to \$5 mostly.

Dressed turkeys steady, prices unchanged.

Stock Market Has
Ragged Appearance

By Frank MacMillen

Associated Press Financial Writer

New York, Feb. 14.—(P)—Realizing rifts gave the stock market a somewhat ragged appearance today and final trends were confusingly mixed.

Renewed strength of American Telephone, together with the firmness of coppers and scattered specialties, tended to soften the fall of recent favorites, but brokerage sentiment was none too optimistic at the sound of the final gong.

The news, generally, was on the constructive side, marketwise.

It was recognized, however, that the list has been climbing to new 5-year highs for a long time without major interruptions. Consequently, analysts were wondering if a "healthy" correction were not overdue.

At the same time, setbacks, on the whole, were not extreme. There were 472 declines against 310 advances. The Associated Press average of 60 stocks yielded only 2 of a point at 61.7.

Profit taking slowed the trading pace, transfers totaling 2,615,840 against 2,929,620 in the preceding session.

The principal telephone issue held the limelight throughout the day, getting up more than 4 points at one time and finishing with a net gain of 31 points at 177, a peak for the past several years.

The non-ferrous metal shares added to their advances of the past several weeks when two of the largest producers hoisted the domestic price of copper to 9 1/2 cents a pound from 9 1/4 cents.

E. St. Louis Livestock

East St. Louis, Ill.—(U. S. Dept. Agr.)—Hogs, 6,000; fairly active, 15-20 cents higher than Thursday average; heavy dull; bids and light lights sharing advance; bulk better 170-220 lbs. \$10.90-11.05; 110-130 lbs. \$9.25-9.50, mostly \$9.75 down; lighter weights \$8.25-9.00; sows mostly \$9.10-9.40.

Cattle, 2,000; calves, 1,500; steers in light supply, nothing done on early round; few loads on sale eligible to sell at \$8.00 and below; vealers 25 lower; top \$12.50; other classes steady to strong; few mixed yearlings and holdovers \$8.25-9.75; beef cows \$5.00-6.25; cutters and low cutters \$4.00-5.00; top sausage bulls \$7.00; nominal range slaughter steers \$5.25-5.75; slaughter heifers \$5.25-5.90.

Sheep, 2,500; no early sales or bids; packers talking lower on lambs but bulk held steady to strong \$10.50 upward; liberal proportion of run still back.

Chicago Livestock

Chicago, Feb. 14.—(U. S. Dept. Agr.)—Hogs, 6,000 including 2,000 direct; unevenly steady to 15 higher than Thursday's average; top 11.15; bulk desirable 170-250 lbs. 10.90-11.00; numerous loads early 11.10; 260-350 lbs. mostly 10.60-90; good sows 10.10; shippers 2,000; estimated holdover 200.

Cattle 2,500; calves 500; week-end market on better grade steers with weight more active; generally strong to 25 higher; several loads grading good and choice here, these selling at 9.50 upward to 11.00 and better; strictly choice mediumweights topped at 12.40; next highest price 11.85; lower grade heavies and light steers generally steady; such kinds selling mostly at 9.00 downward; all she stock generally steady; vealers 30-100 lower in last two days, mostly 12.50 down.

Sheep 12,000; fat lambs slow, mostly 15-25 lower; aged sheep strong; good to choice fed western lamb, 10.00-35; bulk 10.25 upward; local packers the principal buyers; scattered native ewes 4.00-5.00; part deck choice fed westerns 5.25; lightweight wethers on the Mexican order 5.00-5.50 mostly; feeding lambs scarce.

East Moline, Joliet

Share North Honors

Other Good Teams in North

Promise Plenty of

Excitement

(This is the third of a series outlining state championship prospects of Illinois high school basketball teams.)

By PAT HARMON

(Written for the Associated Press)

Champaign, Ill.—(P)—East Moline and Joliet have occupied the spotlight in northern Illinois high school basketball for so long this season that it is unfair to pass up the imposing list of other top-notch teams in that sector.

East Moline and Joliet have records that set them apart from the rest of the field, but East Moline required three overtime periods to beat Joliet, 25-23, and Joliet barely scored out Lockport twice by the same score of 20-18.

Moline's record shows eight victories against three defeats, and another team nearby, Kennewick, has recorded 12 wins with five losses.

Proviso High of Maywood has swept aside nearly everything in sight to pile up 12 victories in 14 games. Morton of Cicero in the same suburban league has eight wins against three defeats.

In the west suburban loop, Downers Grove has swept all before it but didn't look so impressive in bowing to West Aurora in the DeKalb Christmas tournament, which the Aurora won.

Freeport, the problem team of the north, started by losing three games in a row, then reversed its field to win seven and bump off Joliet before going into another dive which took the pretzels out of the Big Seven lead.

Dixon appears the North Central League's best, and Oregon top the Rock River valley. Lake county fans wear by Libertyville, while Fulton gained favor in Carroll county by dropping its opening tilt to Moline and then proceeding to win every other game.

Harlem of Rockford has furnished a lot of excitement by winning 18 out of 19 games, meanwhile running up scores of 50, 60, and 70 points against second rate opposition.

Depeu, which has been threatening to win a sectional tourney for the last four years, has another good team and may be headed places this time.

West Aurora, Rockford, and LaSalle-Peru have displayed flashes of good basketball as have LaGrange and Riverside. DeKalb may be a trouble maker before the firing is over.

Contrary to persistent rumors from the north, Chicago high school basketball is no better than it ever was. The Farragut Vikings, best team there, ventured into Cicero recently and were beaten, 24-13. Crane Tech is probably the second best team in Chicago. Bowen, Calumet, Lakeview and Von Steuben are other leaders.

Jerseyville.—The World Day of Prayer will be observed in the City of Jerseyville Friday, Feb. 28, in keeping with the established local custom. This time the services will be held in the Presbyterian church. The services for adults will be at 2:30 o'clock and an hour later the service for the children will be held.

The Missionary society of the Presbyterian church of Jerseyville will hold its next meeting at the church Tuesday, Feb. 18, at 2:30 o'clock. Mrs. Fred A. DuHadway will be the leader for the afternoon. The topic "Africa and the American Negro" will be discussed by Mrs. Fred Howell and Mrs. Mary Challacombe.

CASH WHEAT MARKET

Chicago, Feb. 14.—(P)—Cash wheat was unchanged to 1 cent higher today. Receipts were 9 cars; shipping sales 15,000 bushels.

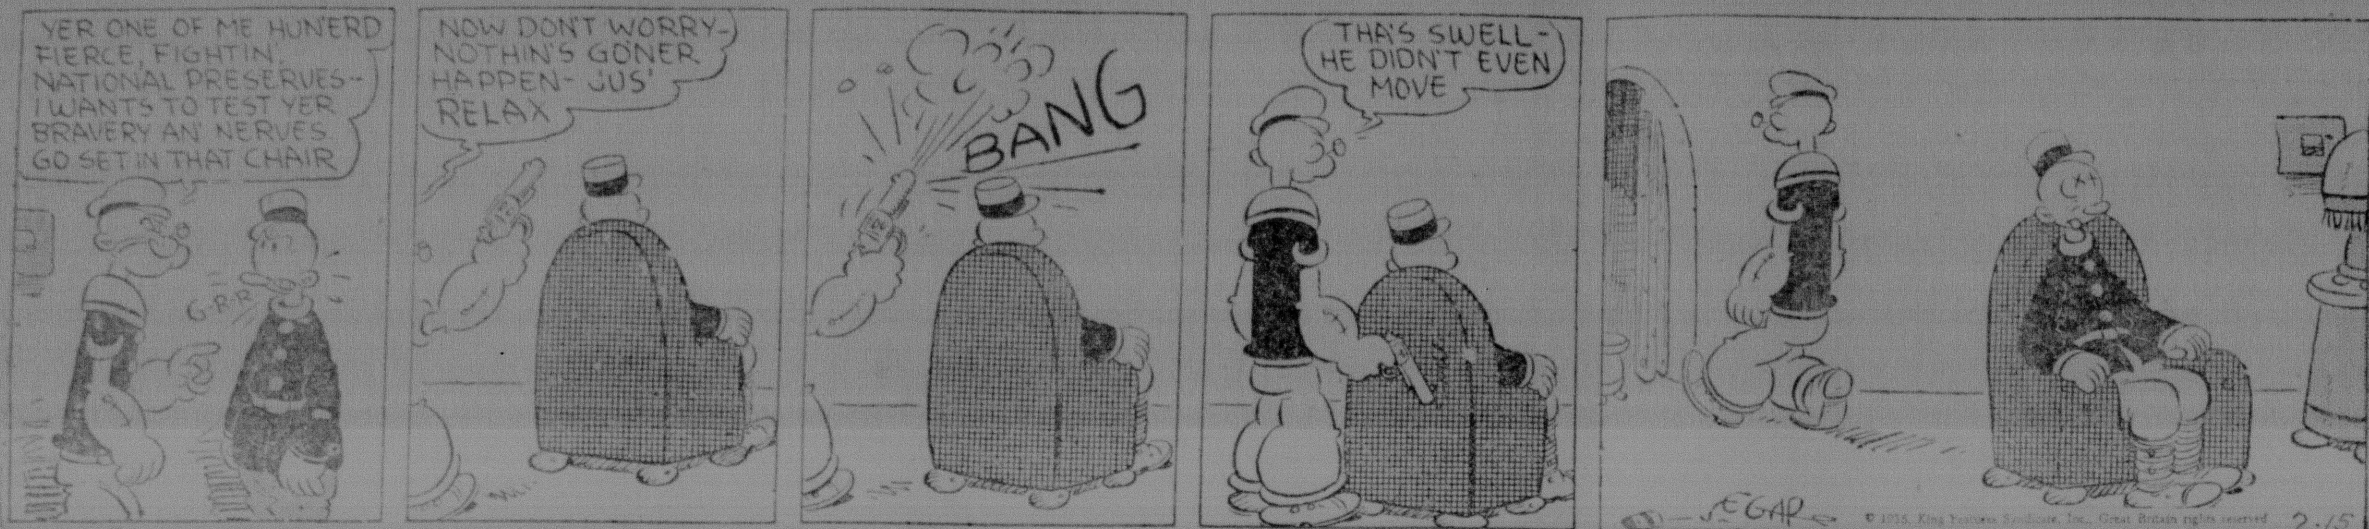

Corn was 1/2 to 1 cent higher. Receipts were 74 cars; shipping sales 16,000 bushels; booked to arrive 94,000 bushels which was booked mainly on the advance.

Oats were unchanged. Receipts were 18 cars; shipping sales 14,000 bushels.

Frozen Water Pipes Shut Off Supply of 200 Consumers Here

Citizens Wait for Services to Thaw; City Revenue is Cut by Stoppage

Frozen water services are proving a perplexing problem in this city at the present time. Superintendent G. J. Wright of the city Water Department, estimated yesterday that there must be 200 water consumers whose supply is at present shut off on account of frozen pipes leading from the mains into the residences.

There has been little trouble with frost in the city mains. A leak developed yesterday morning at North Main street and Lafayette avenue, and men from the department were busy repairing the damage. But thus far no mains have frozen.

The difficulties have come from the private services, which lead from the mains to the individual consumers. In many cases these are not below the present deep frost line and are frozen solid. Many citizens have been compelled to have the pipes thawed out and the damage repaired before they could get water.

Wherever this has not been possible the water users are doing without their regular supply and are making out by borrowing from neighbors, or in any way they can until their pipes can thaw out. The shutting off of such a large number of services is cutting into the city's water revenue to a serious extent.

HOWARD KREIDER WILL BE PIKE COUNTY CANDIDATE

Friends of Howard E. Kreider of Barry, a former student at Illinois College, will be interested to learn that he has announced his candidacy for Republican nomination for circuit clerk in Pike county. After attending college here Mr. Kreider received his degree at the University of Illinois in 1932. He has served as a justice of the peace at Barry for several years.

File Petitions

Thirty-Seven Seek Places On Committees: Two Added In Coroner's Race

Thirty-seven candidates for precinct committees filed petitions in the office of County Clerk F. W. Brockhouse yesterday, the first day for filing for committee offices. Twenty Republicans filed their petitions and seventeen Democrats took formal action to become candidates. With scarcely more than one-third of the precincts being represented by petitions filed yesterday a survey of the number of candidates entered for precinct committee places already shows a number of contests.

Judging by the number of petitions filed Republicans are more anxious for places on the county committees than are the Democrats. With 16 precincts being represented by candidates yesterday's filings indicated but one contest in the Democratic party. Republicans have candidates in 17 precincts with three contests in prospect.

In addition to the petitions filed yesterday by precinct candidates there were two petitions filed for coroner on the Republican ticket. The coroner petitions were filed by Jerry Hawks, justice of the peace of this city, and J. W. Robertson, now mayor. The Republicans now have five candidates who have filed petitions for the coroner nomination and election. Others who have filed previously include Frank Baker, former chief of police here, E. L. Killam and Leslie Nimes of this city.

The candidates who filed petitions for precinct committees are as follows:

Democrat
Chapin No. 1—R. S. McKinney.
Chapin No. 2—Charles L. Holliday.
Meredosia No. 1—Charles G. Wegner.
Murrayville No. 1—Grover Boserker.

HOLD FUNERAL FOR W. M. HODGSON HERE FRIDAY AFTERNOON

Funeral services for W. M. Hodgson, who died at the Reynolds Chapel, with Rev. Edwin Sandmeyer, pastor of the First M. E. Church of Springfield officiating. Rev. Sandmeyer was formerly pastor of the church in Rock Island, attended by Mr. Hodgson. Music was furnished by Arthur Saymore, Howard Potter, Harry Bray and Wayne Carter. Mrs. Ralph Hutchinson was at the pipe organ.

The bearers were: Arthur Saymore, Morris Updegraff, Hubert Litter, Gene Curtis, Crit Haneline, J. C. Colson, Fred Deatherage and Homer Rowland.

The remains were placed in the Mausoleum at Diamond Grove cemetery.

G. S. PATTERSON IS FORMALLY CALLED AS TRINITY RECTOR

At a meeting of the Vestry held at the rectory Friday evening, February 14, the Reverend G. S. Patterson was formally called as rector of Trinity parish. Father Patterson has been in charge of the parish since his ordination to the diaconate in May, and became eligible to the rectory by his ordination to the priesthood in December, 1935.

GIVEN LONG TERMS

Muskogee, Okla., Feb. 14.—(P.)—Dewey Gilmore and Russell Cooper were convicted today of conspiracy in the death of Ben Bolton, Muskogee detective chief, in a jail break here December 3 and were sentenced to 99 years imprisonment.

The men, alleged members of the Irish O'Malley gang of bank robbers and kidnapers, already were under 25 year sentences in the \$19,900 holdup of two banks at Okemah, Okla.

WEARS STRAW HAT

Marshall, Minn., Feb. 14.—(P.)—A harbinger of spring—L. E. Leedom, insurance man, wearing a straw hat, appeared on local streets as the mercury dipped to 27 here today. He was noncommittal but friends suggested it was a long-deferred payment of an election bet.

COMMERCIAL CLUB OF LOCAL SCHOOL ENJOYS PROGRAM

The Commercial club of the Jacksonville High School held its meeting Thursday in the music room of the school.

The club enjoyed a program under the direction of Miss Bettie Seegar. Those who took part were: Miss Wilma Cocking gave a talk on "Equipment and Machines in Business." The Origin of the Typewriter was given by Walter Siebermann. Betty and Carol McClelland gave a vocal duet, entitled "One Fleeting Hour." Personal characteristics necessary for Success in Business by Margaret Peckman. Modern Advertising by Thomas Dohson and Clara Mae Strubinger gave a vocal solo entitled "The Lady in Blue." Miss Mildred Rutherford accompanied the soloist.

Minnie Lisles Of Carrollton Dies; Rites To Be Today

Death Of Greene County Resident Occurs Thursday Morning

Carrollton, Ill., Feb. 14.—Mrs. Minnie Lisles, well known resident of this city, passed away at 10 o'clock Thursday morning.

She was the daughter of the late Mr. and Mrs. William Smith and was born in Knox, Tenn., September 17, 1867. She came to Illinois in 1873 and has resided in Carrollton since that time.

In 1895 she was united in marriage to Noah Lisles, who preceded her in death several years ago.

Mrs. Lisles is survived by four children, William George and Blanche Lisles at home and Mrs. Clarence Meek of Roxana, Ill. She also leaves one sister and three brothers, Mrs. Maude Creamer of East St. Louis, Luther and Walter Smith of Jerseyville and Dr. Elmer Smith of Louisville, Ky.

Funeral services will be held Saturday afternoon at 2:30 o'clock at the Christian Church with Rev. Rhoady of Kane, officiating.

Burial will be in the Carter cemetery.

The remains were prepared for burial at the Mehl & Son Funeral Home.

Mrs. Ellen Coultas Hostess To Club

Entertains Group At Chapin Home; Other News Of Interest

Chapin, Feb. 14.—Mrs. Ellen O. Coultas was hostess to her five hundred club Friday. Mrs. Frank Brockhouse made the high score and Mrs. E. J. Lashmet second high. A delicious luncheon was served at the close of play. Guests in addition to the members of the club were Mrs. Frank Brockhouse of Jacksonville; Mrs. B. A. Cratz of Quincy; Mrs. Opal Blair, Mrs. James Guinnane and Mrs. E. H. Niehuizer.

Mrs. Sam Vorhees is very sick at the home of her parents, Mr. and Mrs. Horve Thompson.

Harold Perbix and Harlan Postlewait were business visitors in Springfield Friday.

E. J. Lashmet and M. Egdorf accompanied the basketball team to Clayton Friday night.

About thirty local sport fans went to Springfield Thursday night to the boxing match.

B. A. Cratz of Concord was a Chapin caller Friday.

A special assembly was called in the Chapin Grade School Wednesday morning in honor of the one hundred 27th birthday of Abraham Lincoln. The assembly group sang several patriotic songs of the southland. The following program was given:

Reading: The Big Man and the Little Bird—Jimmie Rice.

Favorite Quotations of Lincoln—Lorraine Brockhouse.

Lincoln's Favorite Song—Warren Coffinet.

Poem, Abraham Lincoln by Margaret Meigs—Joyce Perbix.

Story, The Little Lad of Long Ago—Robert Alderson.

Poem, Captain My Captain by Walt Whitman—W. B. Dehart.

Miss Esther Dumas told a series of short stories about Lincoln, showing his wholesome sense of humor, his deep sympathy, and his ability to make simplicity rule in his life—a quality which brought the highest tribute of a nation.

The Christian Endeavor Society of the Chapin Christian Church will give the following program next Sunday evening at seven-thirty o'clock, February 16:

Prelude—Mary Elita Smith.
Song—"Follow The Glean"
Song—"This Is My Father's World."
Announcements.
Offering.
Song—"Fair Lord Jesus."
Prayer—Harry Sentney.
Vocal Trio—Mary Elita Smith, Lucille Nergenah, and Marguerite Fountain.
Scripture—Janice Woodward.
Song—"O Master-Workman of Thee."
Biblical Play—"The Secret of Success."
Scene I. A room in the king's house.
Song—"By The Rivers of Babylon."
Choir.
Scene II. The king's room.
Solo, "Oh Star of Eve"—Tannhauser, by Wagner—Virginia Brockhouse.
Solo, "If With All Your Heart"—Elijah, by Mendelssohn—F. W. Schulz.
Scene III. Outside the wall of Jerusalem.
Duet, "If I Would Be True"—Mary Elita Smith and Genevieve Vorhees.
Scene IV. A street in Jerusalem.
Song—"Living For Jesus."
Benediction.

County Poultry Raisers Elect Officers Here

Edward Coates Is Chosen President; Breeder's Problems Are Discussed

Representatives of Morgan county's 2500 poultry raisers met in the Farm Bureau offices at 1:30 p. m. yesterday. Farm Advisor W. F. Cooldice presided until the following officers were elected as follows:

President—Edward Coates.
Vice President—Watson Leck.
Secretary and Treasurer—Miss Juanita Coultas.

The organization was recently revived after a period of inactivity, to meet the needs of raisers who desired instruction in poultry raising, and the proper leadership for the staging of a fall show.

At the meeting yesterday afternoon, B. R. Utrey, chief state poultryman, discussed problems that confront breeders. He is in charge of the U. S. approved flocks. Clyde Winn was also a guest from the state poultry inspection department.

J. C. Weber, commercial hatcher, was voted to honorary membership in the organization "in recognition of past services" to Morgan county poultry raisers.

Miss Juanita Coultas, secretary treasurer, said last night that the membership fee had been fixed at one dollar per year. This amount will be used to arrange for the annual show and to provide services of advantage to breeders. Registrations may be left at the Farm Bureau offices, or with Miss Coultas.

The next meeting will probably be during the last week in March.

Mrs. Ruth Placke Entertains Club

Program Is Given At Bluffs Home; Other News Of Interest

Bluffs, Feb. 14.—Mrs. Ruth Placke entertained the members of the M. E. social club in her home here Thursday afternoon. The hostesses were Mrs. James Chambers and Mrs. Eugene Carpenter. The meeting was opened with the club singing, "America the Beautiful." A prayer was given by Mrs. George Hierman followed by the club singing, "Faith of Our Fathers." Scripture was read by Mrs. Frank Lyons. Roll call a scripture verse containing the word "Love" was answered by thirteen members. The following program was given:

Song, "America"—Club.
Biography of Lincoln—Mrs. Frank Lyons.
Poem, "Abraham Lincoln"—Mrs. Bl. Placke.
Paper, "Origin of St. Valentine"—Mrs. James Chambers.
Poem, "An Old Fashioned Valentine"—Mrs. James Chambers.
After the program a Valentine exchange was had, and a social hour enjoyed during which time a refreshment course was served.

Odd Fellows Open New Quarters Here With Program

Large Crowd Attends Formal Opening Of Lodge On State Street

An overflow crowd enjoyed the program of entertainment, cards, dancing and the supper intermission which marked the dedication of the new quarters of Odd Fellows' Upsilon lodge on West State street. It was the Grand Opening for Number 243, now marking its 75th year of fraternity and service in this city.

Entertainment, refreshment and reception committees for the celebration were headed by E. E. Henderson, John T. Roberts and T. C. Jenkins. Judge W. E. Thomson gave a short address at the close of the program. C. H. Weber of Springfield, past grand patriarch of the Illinois Order, was to have been present as a speaker, but was forced to cancel the engagement due to weather conditions.

Guests at the meeting last night included members from orders in surrounding communities.

The reception committee serving with Mr. Jenkins included Hugh Green, Burley Jones, W. E. Thomson, C. E. Williamson, T. M. Tomlinson, William Deutsch and John Paschal. The L. O. O. F. orchestra from Winchester furnished music for the period of dancing which concluded the dedication.

INITIATE FIVE INTO SIR GALAHAD ORDER IN TRINITY PARISH

At a meeting of the Order of Sir Galahad in Trinity Parish, Wednesday evening, five boys were initiated into the Degree of Lads. Earl Wilson and Ray Becker were the presiding officers. Those admitted to the Order were Jack German, Dale Crockett, Donald and Arthur Martin, and Robert Bond. Following the initiation, a business meeting was held at the rectory at which the following took office: Regent, Jack German; Scribe, Donald Martin; Custodian, Robert Bond; Chancellor, Dale Crockett; Master of the Guard, Arthur Martin.

DISPLAY WPA PROJECT MATERIALS HERE

A display of handicraft articles made by workers on the WPA recreation project is being exhibited in the windows of the Chamber of Commerce building. The display is a fine example of what may be done with cast off materials including pieces of boards, automobile inner tubes, etc.

CARD OF THANKS

We desire in this way to express our thanks for the many expressions of kindness by friends during our recent bereavement, the death of Mrs. Emma Carpenter.

The Carpenter family.

Mrs. Fred Ginder of Concord was shopping in Jacksonville yesterday afternoon.

Explosion Rocks Mattoon, Illinois

A young woman grocery clerk was killed and sixteen people injured in Mattoon, Ill., Feb. 13, when a pocket of gas was ignited by a workman, the explosion wrecking several buildings in the down-town section.

Horner Projects In State Reviewed

A. E. Rouland, Springfield, Is Speaker At Club Meeting Here Friday

A. E. Rouland, Springfield, was the speaker at the Morgan county Horner for Governor club meeting held in the circuit court room of the court house last night. Mr. Rouland reviewed Governor Horner's administration program and predicted the nomination of the Governor by a large majority.

The speaker said that since Governor Horner had taken office in 1933 he had balanced the budget and placed the state on a "pay as you go" basis. Regular expenditures have been reduced \$30,000,000. Mr. Rouland asserted, and the state's credit has been restored.

More than \$35,000,000 in personal and real estate taxes have been eliminated during the Horner administration, declared the speaker, and more than \$7,000,000 have been provided for relief during the past years. He asserted, \$20,000,000 have been provided for school uses, more than any other administration of the same length.

Governor Horner sponsored an old age pension and increased the blind and mothers' pensions. He caused a reduction in utility rates resulting in a huge saving to the consumer. He created a department of insurance which gives the policy holders of Illinois one hundred per cent protection. The speaker claimed there were more farm to market highways constructed during the Horner administration than under any other administration.—This without the issuance of bonds.

Mr. Rouland said he had spoken in 22 counties and he predicted that Horner would carry them by large majorities April 14.

G. W. Tandy of Springfield also spoke briefly at the meeting. The president of the club, Hayden Walker, presided. About 300 attended the meeting.

It was announced that there are now more than 800 members pledged for the Morgan County Horner club, the pledges coming from about 25 per cent of the county's 43 precincts. Jacksonville Precinct No. 15 leads the list of pledges with a membership of 126.

Mrs. Vernon Baker Hostess To Players On School Team

Basketball Quintet Entertained At Murrayville; Other News Notes

Murrayville, Feb. 14.—Mrs. Vernon Baker entertained the basketball team of the local high school at dinner Thursday evening in honor of her son Dwight's birthday anniversary. Those present were Kenneth and Keith Brown, Earl Sexton, John Simpson and Dwight Baker.

Following the dinner a number of girls came in and spent the evening and all enjoyed a Valentine party in honor of the occasion.

Those included in the group were the Misses Hazel Boserker, Margaret Alred, Marjorie Rimbey, Dorcas Mehrhoff, Dorothea Fern Hanback and Barbara Tendick. Others present were Billy Joseph, Herman Baker and Mr. and Mrs. Vernon Baker. The guest of honor received a number of useful gifts. Music and games furnished the entertainment.

News Notes
Miss Lucille Waltz entertained the members of her bridge club recently at the home of Mr. and Mrs. N. C. Carlson.

The evening was very pleasantly spent with two tables of "Contract Bridge" at play throughout the evening. Mrs. Claude Chapman received first prize and Miss Vi Carlson second prize.

At the close of play the hostess served her guests a lovely refreshment course.

Those present were Mrs. Irwin Hanback, Mrs. George Edwards, Mrs. Claude Chapman, Mrs. Kenneth and Miss Martha Symons. Miss Louise Gollmer, Miss Vivian Carlson and Miss Lucille Waltz.

The members of the Official Board of the Methodist church and their wives and husbands will hold their regular monthly meeting and supper in the church basement on Wednesday evening, Feb. 19th.

Miss Esther Brown attended the Valentine dance at Brown's Business College in Jacksonville Thursday evening and was an over night guest of Miss Frances Strickler.

Mrs. J. A. Lettze spent several days this week with her sister and husband, Mr. and Mrs. D. W. McCoy, of Springfield.

Mrs. S. B. Robinson was a guest Tuesday of Mr. and Mrs. L. O. Goodrich of White Hall.

Mr. and Mrs. Clarence Cappel and his father, Antonio Cappel, of Moscow Mills, Mo., are visiting at the home of the latter's sister-in-law, Mrs. Emma Osborne.

David Millon, Miss Nellie Millon, Miss Ruth Clayton, Mrs. Margaret Simmons and Mrs. Anna Willis called on Mrs. A. K. Stansfield Wednesday evening. Mrs. Stansfield is still confined to her bed.

Methodist church announcement for Sunday, Feb. 15th. Rev. C. W. Gant, minister.

Morning worship at 10:00 a. m. Sermon theme, "St. Mark and His Gospel." Music by the Junior choir.

Study period at 11:00 a. m. Epworth League at 6:00 p. m.

No Sunday evening service on account of the extreme weather and scarcity of coal.

ONE ACT PLAY GIVEN AT FRIDAY PROGRAM AT LOCAL CCC CAMP

A one act play, "The Leap Year Bride" was presented at the local CCC camp last night by a cast of high school students, under the direction of Miss Frances Brown. The cast of characters in the play was as follows:

Sally Rand—Frances Wall.
Alfred Chadwick—John Hopper.
Alfred Bunn—Philip Riggs.
Mr. Johnson—James French.
Piano solo—Marjorie Warlick.
Group vocal selections—Devere Brookhouse.
Guitar selections—Highfield Brothers.

RIOT VICTIMS

Caracas, Venezuela, Feb. 14.—(AP)—Five persons were killed and many wounded today as rioting broke out in a general strike called to protest the establishment of press censorship. Police shot at least five demonstrators to death and wounded others. Strikers looted a dozen or more residences of officials of the former government of Juan Vicente Gomez, dictator who died in December.

Strikers
